

US election party at FOS Fürstenfeldbruck We want to thank FOS FFB for their invitation to witness this year's presidential election on Tuesday, November 5th.

Four class 13 students and one English teacher enjoyed a night full of fun, quizzes, movies, food and great hospitality at FOS Fürstenfeldbruck. Despite the results one can truly say, that we had a wonderful time together with FOS FFB students and teachers alike and are looking forward to intensifying this friendly relationship in the future.

Let's see if we can host the next election night in Germering?
